

Instructions: This optional quarterly report template is intended for State and MSA Climate Pollution Reduction Grant – Planning Grant recipients to report their progress. Recipients are not required to follow this template, but should provide all the requested information in their quarterly report. Recipients should send these reports to their regional grant Project Officer. Reports are due 30 days after each three-month reporting period (i.e., October 30, January 30, April 30, and July 30). Please answer all questions below as thoroughly as possible. Italicized text may be deleted prior to submission.

Project Title:

Project Officer:

Reporting Period:

Quarterly Report Summary

Provide a short summary of work accomplished this quarter (e.g. major activities and/or milestones completed) and funding status. Note: additional detail on project accomplishments and spending will be required below.

Project Progress

Is your project on schedule based on the schedule in your workplan? If progress is slower than anticipated, please explain why, what challenges or difficulties were encountered, and how these barriers will be overcome.

Project Accomplishments and Results by Element

Provide 2-3 sentences summarizing the status of each element. Include an additional 1-2 sentences summarizing outputs and/or outcomes, where applicable. If work for a specific element was not scheduled for this quarter, please type "N/A" next to that element. Recipients may delete the tables for deliverables not in progress during the reporting period.

Personnel Changes / Staff Turnover

Any major changes in project personnel?

Fiscal Information

In 1-2 sentences, please describe how funds were used in each budget category. Also include any additional pertinent information, including, when appropriate, analysis and explanation of cost overruns or high-unit costs. If budget modifications are necessary, please describe them below the table.
